A dramatic new look in architectural surfaces, each piece is a hand-crafted original. Ribbon glass is a vibrant alternative to stone for counter tops as well as architectural glass installations. Manufactured from new and (+/- 33%) recycled glass, by fusing intermittent lengths of glass to create a gentle 'ribbon' look. Available in eight blended shades made up of 4 to 6 different colors - custom blends are available upon request. Available in 30mm(+/- 10%) thick sheets in sizes up to 48" x 120". 100% glass, non-porous, stain resistant and non reactive.
